Seventy-three men sailed up, from the San Francisco Bay.

Rolled off of their ship and here's what they had to say.

We're calling everyone to ride along, to another shore..
We can laugh our lives away and be free once more.

But no one heard them calling..no one came at all..
cause they were too busy watchin', those old raindrops fall.
As a storm was blowin', out on, the peaceful sea.....
seventy-three men sailed off, to history.
