

C# All Night Long

V IV x2

Verse: V, vi, IV, V (G#, A#m, F#, G#)

Well, my friends; the time has come,
To raise the roof and have some fun.
Throw away, the work to be done;
let the music play on.

Everybody sing, everybody dance;
Lose your self in wild romance.
We're going to; party, Karamu,
Fiesta, forever;
Come on and sing along.

We're going to; party, Karamu,
Fiesta, forever;
Come on and sing along.

G# A#m F#
All night long,(all night, all night)
F# A#m G#
All night long,(all night, all night)
All night long,(all night, all night)
All night long,(all night, all night)

People dancing, all in the streets,
See the rhythm flow, in their feet.
Life is cool, wild and sweet;
let the music play on.

Feel it in your heart and feel it in your soul;
Let the music take control.

We're going to; party, Niming,
Fiesta, forever;
Come on and sing my song.
