

F Hey Jude

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her into your heart, then you can start to make it better
Hey Jude, don't be afraid, you were made to go out and get her
The minute you let her under your skin, then you begin to make it better

[Chorus]

And anytime you feel the pain, hey Jude, refrain, don't carry the world
upon your shoulders
For well you know that it's a fool who plays it cool by making his world
a little colder

[Interlude]

Da da da da da da da da

[Verse]

Hey Jude, don't let me down, you have found her, now go and get her
Remember to let her into your heart, then you can start to make it better

[Chorus]

So let it out and let it in, hey Jude, begin, you're waiting for someone
to perform with
And don't you know that it's just you, hey Jude, you'll do, the movement
you need is on your shoulders

[Interlude]

Da da da da da da da da

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her under your skin, then you begin to make it better

[Outro]

Na na na na na na na na na na, hey Jude (repeat forever)
