It might seem crazy what I'm about to say
Sunshine she's here, You can take a break
I'm a hot air balloon, That could go to space
With the air, Like I don't care, Baby by the way

(Because I'm happy),
Clap along, If you feel, Like a room without a roof
Clap along, If you feel like, Happiness is the truth
Clap along, If you know what, Happiness is to you
Clap along, If you feel like, That's what you want to do

Here come bad news, Talking this and that
Give me all you got, Don't hold it back
Well I should probably warn you, I'll be just fine
No offense to you, Don't waste your time

Bring me down, Can't nothing, Bring me down
Love too high, Bring me down, Can't nothing
Bring me down, I said, Let me tell you now
(happy , happy happy)
Bring me down, Can't nothing, Bring me down
Love too high, Bring me down, Can't nothing
Bring me down, I said

<ch 2x>
