

E Teenagers 114bpm

yt

E5

They're gonna clean up your looks
With all the lies in the books

B5

To make a citizen out of you

A5

Because they sleep with a gun

E5

And keep an eye on you, son

B5

E5

So they can watch all the things you do

Because the drugs never work
They gonna give you a smirk
Cause they got methods Of keeping you clean
They're gonna rip off your heads
Your aspirations to shreds
Another cog in the murder machine

They said, all teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes
Or strike a violent pose
Maybe they'll leave you alone
But not me

The boys and girls in the clique
The awful names that they stick
You're never gonna fit in much, kid
But if you're troubled and hurt
what you got under your shirt
will make them pay for the things that they did

<ch>* oh yeah *
