

Em Door, The

Em, C, D, Bsus, B

I took a page out of your favorite book
You sold me lies just by the way you look
Taught me a language that I've never speak
Baby, that ain't for me, that, that ain't for me

I dug my grave watchin' the way you move
You took me higher than I ever flew, ooh
Too many times, gave you a second chance
Baby, I'm just a man, I'm, I'm just a man

No more thinkin' about you late night
No more runnin' around with your friends now
Done pickin' up pieces of my
Soul up off the floor, oh, oh

I said I would die for you, baby
But I can't take this pain no more
I thought I was willin'
But tonight I saved my life when I showed you the door

I don't wanna lose you, baby
But I can't play this game no more
I thought it would kill me
But tonight I saved my life when I showed you the door

You never thought this day would ever come
But I looked you in the eyes and pulled the rug
You tried to take away my sanity
Baby, that ain't for me, that, that ain't for me

<PreCh, Ch>

When I showed you the door
When I showed you the door
But tonight I saved my life
