

C# Closer

Whole Song:

Capo 1st fret

Hey, I was doing just fine before I met you
I drink too much and that's an issue but I'm okay
Hey, you tell your friends it was nice to meet them
But I hope I never see them again

I know it breaks your heart Moved to the city in a broke down car
And four years, no calls Now you're looking pretty in a hotel bar
And I can't stop No, I can't stop

So baby pull me closer in the backseat of your Rover
That I know you can't afford
Bite that tattoo on your shoulder
Pull the sheets right off the corner
Of the mattress that you stole
From your roommate back in Boulder
We ain't ever getting older

We ain't ever getting older
We ain't ever getting older

You look as good as the day I met you
I forget just why I left you, I was insane
Stay and play that Blink-182 song
That we beat to death in Tuscon, okay

<music down, pause>

<music starts building>

We ain't ever getting older (we ain't ever getting older) Repeat
