

Gm I'll Play The Blues

If you're down and out
and you feel real hurt
Come on over
to the place where I live

And all your loneliness
I'll try to soothe
I'll play the blues for you

Don't be afraid
come on in
You might run across
some of your old friends

<ch>

I got no big name
and I ain't no big star
I play the blues for you
on my guitar
