

Am I Will Survive-117 bpm

Intro: E7

Am Dm G Cmaj7 Fmaj7 Bm7b5 Esus4 E

Am Dm
At first I was afraid, I was petrified,
G Cmaj7
Kept thinking I could never live without you by my side.
Fmaj7 Bm7b5
But then I spent so many nights, thinking how you did me wrong,
Esus4 E
And I grew strong; and I learned how to get along.

But now you're back, from outer space,
I just walked in, to find you here, with that sad look upon your face.
I should have changed that stupid lock,
I should have made you leave your key,
If I had known for just one second, you'd be back to bother me.

Go on now, go; walk out the door;
Just turn a-round now, 'cos you're not welcome any more.
Weren't you the one who tried to hurt me with goodbye?
Did you think I'd crumble; did you think I'd lay down and die?
Oh no, not I; I will sur-vive,

Oh, as long as I know how to love, I know I'll stay alive.
I've got all my life to live, and I've got all my love to give,
And I'll sur-vive, I will sur-vive, I will sur-vive...

[Interlude]

It took all the strength I had not to fall apart.
Kept trying hard to mend the pieces of my broken heart.
And I spent oh, so many nights, just feeling sorry for myself,
I used to cry, but now I hold my head up high.

And you see me; somebody new,
I'm not that chained up little person, still in love with you.
And so you felt like dropping in and just expect me to be free,
Well, now I'm saving all my loving, for some-one who's loving me.
<ch>, Break,<ch>, last verse, interlude, chorus, fade
