Somebody nearly cut me right off the road.

I decided it wasn't gonna do any good to get mad.

So I wrote a song about him instead.

It goes like this...

D

Were you born an asshole?

G

Or did you work at it your whole life?

A

Either way it worked out fine

G

D

'cause you're an asshole tonight.

Yes you're an A S S H O L E...

And don't you try to blame it on me.

You deserve all the credit.

You're an asshole tonight.

You were an asshole yesterday.

You're an asshole tonight.

And I've got a feelin'

you'll be an asshole the rest of your life.

<Solo 2nd time go to vi>

And I was talkin' to your mother

just the other night.

I told her I thought you were an asshole.

She said, "Yes. I think you're right."

And all your friends are assholes

'cause you've known them your whole life.

And somebody told me

you've got an asshole for a wife.

Were you born an asshole?
Or did you work at it your whole life?
Either way it worked out fine
'cause you're an aaaass...hole tonight.

Headin' up to San Francisco
For the Labor Day weekend show,
I've got my hush-puppies on,
I guess I never was meant for
Glitter rock and roll.

And honey I didn't know
That I'd be missin' you so.
Come Monday It'll be all right,
Come Monday I'll be holding you tight.
I spent four lonely days in a brown L.A. haze
And I just want you back by my side.

Yes it's been quite a summer,
Rent-a-cars and west bound trains.
And now you're off on vacation,
Somethin' you tried to explain.

And darlin' I love you so that's
The reason I just let you go.
<ch>

I can't help it honey,
You're that much a part of me now.
Remember the night in Montana when
We said there'd be no room for doubt.

I hope you're enjoyin' the scenery,
I know that it's pretty up there.
We can go hikin on Tuesday,
With you I'd walk anywhere.

California has worn me quite thin,
I just can't wait to see you again.

Ten speed, no need

My pickup gets me where I please, chuggin' down the street

But I'll be leavin', in a little while

So close your eyes and I'll, I'll be back real soon

Say hey, good lookin' - what ya got cookin'?
How's about cookin' somethin' up with me?
Hey, sweet baby - don't you think maybe
We can find us a brand new recipe?

I got a hot rod Ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancing's free
So if you wanna have fun, come along with me

Say hey, good lookin' - what ya got cookin'?

How's about savin' all your time for me?
No more lookin', I know I been taken
How's about keepin' steady company?

I'm gonna throw my date book over the fence
And buy me one for five or ten cents
I'll keep it 'til it's covered with age
'Cause I'm writin' your name down on every page

Down the way where the nights are gay

And the sun shines daily on the mountain top

I took a trip on a sailing ship

But when I reached Jamaica I made a stop

Now I'm sad to say, I'm on my way

I won't be back for many a day

My heart is down my head is turning around

I had to leave a little girl in Kingston town

Sounds of laughter everywhere

And the dancing girls sway to and fro

I must declare, my heart is there

Though I've been from Maine to Mexico

<ch>

Down at the market you can hear

Ladies cry out while on their heads they bear

Ackev rice, salt fish are nice

Oh, the rum is fine any time of year

Nibblin' on sponge cake

All of you Parrotheads covered with oil
(Spoken) And feathers, and signs, and pins

Strummin' my six string on my front porch swing
Smell those shrimp, hey they're beginnin' to boil
(spoken) Bubble, bubble, bubble, bubble

Wastin' away again in Margaritaville
Searchin' for my long lost shaker of salt
Salt, salt, salt
Some people claim that there's a woman to blame
And I know this is somebody's fault

I don't know the reason
Stayed here all season
With nothing to show but that brand new tattoo
Hell yes, it hurts

But it's a real beauty
Oh, I think she might be a Nantucket cutie
Or maybe she's from the vineyard
I haven't got a clue

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Salt, salt, salt
Some people claim that there's a woman to blame
I agree with that

And I know it's all you women's fault
Coming soon

(continued...)

Old men in tank tops
Cruisin' the gift shops
(The lost verse)
Checkin' out chiquitas down by the shore
(I found 'em, I found 'em)

They dream about weight loss, oh
wish they could be their own boss
Those three day vacations become such a bore

I blew out my flip flop
Stepped on a pop top
I broke my leg twice, I had to limp on back home

But there's booze in the blender
And soon it will render
That frozen concoction that helps me hang on
Hang on, hang on, hang on

Wastin' away again in Margaritaville
(That's where this ship is headed)
Searchin' for my lost shaker of salt
Salt, salt, salt
Some people claim that there's a woman to blame
But I know it's my own damn fault
(That's what the therapist said, hell)
Some people claim that there's a woman to blame
(There always is)
And I know it's my own damn fault

Welcome home, everybody
Salt, salt, salt
Lucky we stayed
Thank you all very much
You sure make a, a boy from Mississippi
Feel right at home in Wisconsin
Thank you all
I love my job
Thank you
Thank you again, Parrotheads

Here's a little song to send you on your way
Thank you again, everybody

AS I was walkin' down Grosvenor Square,
 Not a chill to the winter but a nip to the air,
 From the other direction she was calling my eye,
 Could be an illusion but I might as well try, might as well try.

She had rings on her fingers and bells on her shoes,
 And I knew without askin' she was into the blues.
 She wore scarlet begonias tucked into her curls,
 I knew right away she was not like other girls, other girls.

In the heat of the evening when the dealin' got rough,
 She was too pat to open and too cool to bluff.
 As I picked up my matches and was closin' the door,
 I had one of those flashes, I'd been there before, been there before.

[Bridge]

Well, I ain't often right but I've never been wrong,
 Seldom turns out the way it does in the song.
 Once in a while you get shown the light
 In the strangest of places if you look at it right.

Index

well, there ain't nothin' wrong with the way she moves,
Her scarlet begonias or a touch of the blues.
And there's nothing wrong with the look that's in her eyes
I had to learn the hard way to let her pass by, let her pass by.

[Verse 5]

The wind in the willow's playing "Tea for Two,"
The sky was yellow and the sun was blue,
Strangers stopping strangers just to shake their hand,
Everybody's playing in the heart of gold band, heart of gold band.

G Son of a sailor 118bpm (CD-F)

<https://www.youtube.com/watch?v=74Y40FIx0J0>

[Intro]

I VII IV I I VII IV I

As the son of a son of a sailor
 I went out on the sea for adventure
 Expanding the view of the captain and crew
 like a man just released from indenture
 As a dreamer of dreams and a travelin' man
 I have chalked up many a mile.
 Read dozens of books about heroes and crooks
 and I learned much from both of their styles.

Son of a son, Son of a son
 Son of a son of a sailor
 Son of a gun, Load the last ton
 One step ahead of the jailor

Now way in the near future,
 Southeast of disorder
 You can shake the hand of the mango man
 As he greets you at the border
 And the lady she hails from trinidad,

Island of the spices
 Salt for your meat, and cinnamon sweet

And the rum is for all your good vices.

[Bridge]

VII IV
Haul the sheet in as we ride on the wind
I
That our fore-fathers harnessed before us
VII IV
Hear the bells ring as the tight rigging sings
I
It's a son of a gun of a chorus

[Solo]

I
Now where it all ends, I can't fathom my friends
VII IV I
If I knew I might toss out my anchor
IV I
So I'll cruise along always searching for songs
V I
Not a lawyer, a thief or a banker

But a son of a son, son of a son
Son of a son of a sailor
Son of a gun, load the last ton
One step ahead of the jailor

VII IV
I'm just a son of a son, son of a son
I
Son of a son of a sailor
VII IV
The sea's in my veins, my tradition remains
I
I'm just glad I don't live in a trailer

Got outta |town on a |boat for the southern |islands

Sailing a |reach before a following sea

She was making for the trades on the outside

And the downhill run to Papeete Bay

Off this wind on this heading lie the Marqueses

We got eighty feet of the waterline nicely making way

In a noisy bar in Avalon I tried to call you

But on a midnight watch I realized why twice you ran away

Think about

Think about how many times I have fallen

Spirits are using me, larger voices calling

What heaven brought you and me cannot be forgotten

[Chorus]

I have been around the world
 Looking for that woman girl
 who knows love can endure
 And you know it will
 And you know it will

when you |see the Southern |Cross for the |first time
 You |understand now |why you came this |way
 Cause the |truth you might be |runnin' from is |so small

 for dinner every day of the year and I'll feel fine.
 I'll feel fine.

Yeah, now, the sun goes slidin' 'cross the water
 Sailboats, they go searchin' for the breeze.
 Salt air it ain't thin, it can stick right to your skin,
