I'm just a bachelor
I'm looking for a partner
Someone who knows how to ride
Without even falling off

Gotta be compatible
Takes me to my limits
Girl when I break you off
I promise that you won't want to get off

If you're horny let's do it
Ride it, my pony
My saddle's waiting
Come and jump on it

If you're horny let's do it
Ride it, my pony
My saddle's waiting
Come and jump on it

Sitting here flossing
Peepin' your steelo
Just once if I have the chance
The things I would do to you

You and your body
Every single portion
Send chills up and down your spine
Juices flowing down your thigh

<ch>
<interlude>

If we're gonna get nasty baby
First we'll show and tell
'Till I reach your pony tail
Oh

Lurk all over and through you baby
Until we reach the stream
You'll be on my jockey team
Oh
If you're horny, let's do it
Ride it, my pony
My saddle's waiting
Come and jump on it
If you're horny let's do it

Ride it, my pony
My saddle's waiting
Come and jump on it
If your horny let's do it
Ride it my pony
My saddle's waiting
Come and jump on it
If your horny let's do it
Ride it my pony
My saddle's waiting
Come and jump on it
If your horny let's do it
Ride it my pony
My saddle's waiting
Come and jump on it

Sweet dream, saccharine, loosen up (Loosen up)

Easy operator come a knockin' on my door
Sometime, anytime, sugar me sweet
Little miss innocent sugar me, yeah, yeah
